PADDYWAX AROUND THE WORLD

Take a look at a few of our favourite retailers' locations across the map, and a couple heartwarming quotes about our candles!

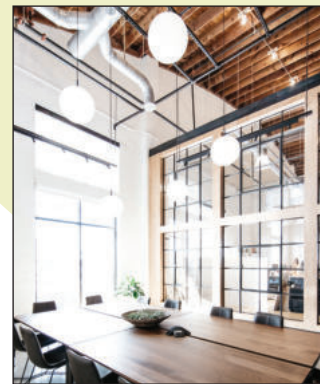

"Paddywax has been one of our top-selling vendors for almost two decades now..."

Kerri, Brookline Booksmith

PADDYWAX

"Paddywax always has the best scents and the candles burn well and are high quality. They are always on top of home decor trends, and their vessels are the special sauce that makes them a great candle line!"

"I want to note the excellent quality of your candles, not only an aesthetic pleasure, but the very best light in the house. There is a war in our country, Ukraine, and while we don't live in the occupied territory, the lights are often turned off, and your candle is economical and convenient in such a difficult time for my family."

How to repurpose into a self-watering planter after the Folia candles have burned and wax has been removed...

01.

Remove the label from the bottom of the planter to expose the drainage hole, then add a plant.

03.

Place the planter within the base piece, and there you have it. Refill as needed. Enjoy!

02.

Using the base piece, fill the reservoir half full with fresh water.

Insider tips: Trim your wicks to 1/4" before each lighting for an even and clean burn. Once the wax has pooled to the edges of the vessel, extinguish your wick with our candle snuffer.

How to REPURPOSE

To fully remove the wax in the vessel we recommend the following method –

1. Place the used vessel in the freezer overnight.
2. Once frozen, lightly tap the vessel on a soft surface until the wax pops out.
3. Using a utensil and a soft cloth, remove any remaining wax, wick, or glue dot.

Our Paddywax fragrances are grouped into four main categories: Spice, Woody, Sweet, and Fresh. The complex recipes offer many notes, which allows us to name and rename them accordingly. We love calling out new notes that help experience the fragrance in new ways. Use this helpful guide to discover the alternative names and to know which collections you will find them poured.
